

Down the river with *GILLIE*

*Draw yourself
doing your favourite
things by the river.*

*Don't forget to
colour in the
river life!*

*What do you
love about
the river?*

*What do you
love about
water?*

*What do
you use
water for?*

*Two children are on
opposite sides of a river ...
One child shouts to the
other "How do I get to the
other side of the river?"
The other child shouts
back "You are on the
other side!"*

Play and learn with GILLIE

Did you know that we are using the same water as the dinosaurs?

Water can be found in the ground, in rivers and lakes, or frozen in ice and snow.
Powered by the sun, Earth's water is recycled over and over again!

ARE YOU UP FOR THE CHALLENGE?

Start with Gillie and travel anti-clockwise. First player to FINISH wins.

Place the game on a table, desk or even on the floor! Invite your friends or family to sit around the water cycle game.

HOW TO PLAY

-  Each player will need a game piece. This could be a pebble, rock or token.
- You will also need a coin to flip.
-  If you flip **heads** move forward 1 space,
- If you flip **tails** move forward 2 spaces, and follow the symbols:
-  Skip a turn
-  Move ahead 3 spaces
-  Move back 3 spaces
-  Have an extra turn
