

Baaka life like *GILLIE*

*Help these
river babies
follow the
adults.*

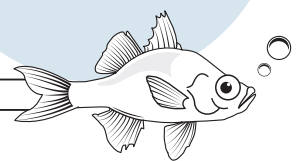

*Murray Cod are
the largest freshwater
fish in Australia. They
can grow up to
1.8 m long.*

*Olive Perchlets
only grow as long
as your finger and
are transparent.*

*Olive Perchlets
have big eyes
so they can feed
at night.*

*Darling River Snails
are hard to find. Their
cone-shaped shells
are only 1-2 cms long.
They don't have legs
but slide on a foot.*

*Silver Perch
can grow up to
40 cm long.*
